The American Association of Mexican Philosophers is a group of Mexican philosophers based in the United States. We hold a conference every year to discuss our work, play soccer and get to know each other better.

Anyone is welcome to join the group. You don't have to be Mexican, and you don't have to be based in the United States (though it does help to be a Mexicophile and have some tolerance for the sort of philosophy that is done in the English-speaking world). If you'd like to become a member, please email us at [aamp@mit.edu](mailto:aamp@mit.edu).

Our current president is Jorge Oseguera Gamba ([josegueragamba@fsu.edu](mailto:josegueragamba@fsu.edu))
